Kozminski University

Kozminski University is an internationally renowned private business school located in Warsaw. The only such institution in Central and Eastern Europe which is AACSB, EQUIS and AMBA accredited and listed the prestigious "Financial Times" rankings. We offer Bachelor, Master, MBA, and PhD programs in business management and finance. In 2017 the Kozminski U. EMBA program was listed 68th among in the „Financiel Times” Executive MBA programs in the world and the University ranked 64th in Europe in the European Business Schools Ranking. The Master's Program in Finance ranked 15th in the world. It is worth mentioning that in 2016 our Master's Program in Management was ranked 42nd in the Global

Master in Management Ranking. Kozminski U. is in a league of its own in terms of quality and prestige. Our course offerings have a unique international flavor; they are taught in English by an international faculty with degrees and teaching experience from prestigious universities and practitioners of business, law and public administration. Our students come from more than 70 nationalities, creating a truly international atmosphere that enables them to experience the richness of various cultures blended together with our own and unique "Kozminski Way".

International partnerships with over 200 educational institutions allow our students to study in several countries during one study

program, participate in exchange programs with some of the most prestigious business schools worldwide or obtain a double degree.

Why should you choose Kozminski University?

The choice of a university is one of the most important decisions in your life time. The best choice allows students to learn with an international scope of the chosen field of studies and obtain a degree with prestigious accreditations. Internationalization is the most important element of our strategy, confirmed in national and international rankings. In quality and prestige Kozminski University is unmatched on the Polish and Central and Eastern European markets.
