## The University of Gdansk

### THE LARGEST IN THE NORTH

You are welcome to join our dynamically growing university with nearly 50 year-long tradition, already the largest Higher Education Institution in the Pomeranian region. We offer **74 fields of study** and **221 majors**. We signed agreements with over **100 international partners** to exchange knowledge and expertise for you to find global employment opportunities or benefit from international mobility in EU and beyond.

### AMONG THE TOP 10

University of Gdansk ranks in the Top 10 Polish universities in such fields of study as Quantum Physics, Biosciences, Business, Law and Administration, Intercultural Psychology and Education. The work of UG

innovative companies in Gdansk such as Amazon, State Street, Thomson Reuters (Markets) Europe, Sony Pictures Global Services or Coleman Research. UG campus is surrounded by business parks and growth hubs. Olivia Business Centre e.g. houses over 110 global companies and many startups. University of Gdansk ranked **2nd place** in the wages ranking among the Polish master degree graduates. The average hiring salary of graduates is **€1,200**.

### UNIVERSITY WHICH OWNS A SHIP

Oceanography, aqua-culture, sea-born trade and other marine-related expertise is developing because Gdansk is situated at the Baltic coast. The competitive advantage of UG comes from excellent stations such as

exchange **with partner universities in China**. If you come from China or other parts of the world you may learn any language at UG, play with it with fellow students while cooking or clubbing together and practice business uses at the international companies, especially from Scandinavia.

### DRIVEN BY INNOVATION

The University has numerous modern science laboratories and hi-tech equipment such as **phytotron unit, biomolecular analysis lab, isotope lab and over 70 other ones**. Huge University Library offers 1.5 million physical volumes and over 3 million e-book titles. Access to 109 370 titles of scientific magazines allows for world quality research. You may participate in frequent inno-camps or hackathons, get tutoring from social entrepreneurs and help us be accredited as Ashoka U Changemakers' Campus.

### HIGH QUALITY OF LIVING, LOW PRICES

Tuition fees start from €1000 per semester, while accommodation on campus starts from just €120 per month. Gdansk prices for common life products and services are 50-80% cheaper than in London, while the quality is comparable, which makes Gdansk a perfect destination if you want to **save money without giving up quality of your educational path**.

Gdansk metropolitan area is smog-free, healthy for outdoor relaxation. Life style supports friendships and family-work balance. You can have a **meal at one of hundreds Polish or international cuisines from just €3**. Practices for major religions are possible at nearby churches, the mosque and other prayer spaces.

### EASY TRANSPORT

Various means of public transport are available:

### UG - first impressions

**Christopher McConneaughey, UG Faculty of Economics student:** *The University of Gdansk has a very welcoming staff and student body. As a foreigner I was nervous when I first entered the campus but my worries were quickly pacified once I entered my first class. All of my Professors were very approachable and had a firm grasp on the subject material, and although I ran into some problems I found they were quickly remedied by the hardworking staff. My greatest challenge while at UG was pronouncing all of the Polish names of my friends, classmates, and professors. I am confident that earning my Master's in International Business from UG will give me the skills and knowledge necessary to excel in my future career.*

scientists in **35 international** and **262 country research projects** contribute to UG reputation in the knowledge network. You may check one of 4 model projects funded by EU Research and Innovation program Horizon 2020.

### RAPID EMPLOYABILITY AND SERVICE TO YOUR AMBITIONS
