University of Bielsko-Biala

The University of Bielsko-Biala (Polish name: Akademia Techniczno-Humanistyczna w Bielsku-Bialej) was founded in October 2001 as an independent governmental academic institution. Previously, since 1969, it had been a branch of the Lodz University of Technology (Politechnika Łódzka). The University is located in Bielsko-Biala.

Bielsko-Biala is a city of nature and a city of art, conveniently located in southern Poland, just 90 kilometres away from Krakow. The region called Beskidy after the Beskid Mountains which represents a meeting point of Poland, Czech Republic and Slovakia.

At present, about 6000 students (about 200 international) are studying at five faculties and number of experienced academic staff is constantly growing and currently there work about 400 teaching staff and other specialists, among them about 200 professors and doctors.

There are numerous services and facilities, which are offered by University of Bielsko-Biala and the city:

- Career Services supports the channels of professional development of students and graduates. Its main tasks include: offering employment intermediary services,

organization of trainings and workshops, human resource counselling, organization of meetings with employers and Job Fairs (Career Expo).

- There is a dormitory, which can accommodate up to 200 students. It is popular among students, fully equipped living space with free Internet access.
- Erasmus+ is a special programme put forward by the European Commission and aimed at enabling people to stimulate learning experience and help to develop the education and training sector throughout Europe. Each student can apply to study or train abroad. The study period can last from one semester to even a whole academic year. Placements last minimum 2 months (up to 12 months within the same academic year).
- And much more: Contemporary Art Gallery, which promotes works of young artists and students; Academic Business Incubator; numerous students' festivals, such as Juwenalia and The Beskid Science and Arts Festival.

University of Bielsko-Biala keeps high standards of education by participation in the academic networks and

their initiatives. University of Bielsko-Biala is a member of Silesian Universities Network (SUN) and International Relations Offices Forum (IROs Forum).
