Czestochowa University of Technology

Czestochowa University of Technology (CUT) is the oldest and the largest higher education institution in the region with full academic rights.

In nationwide rankings of the state institutions of higher education, we are among the top universities in Poland of a similar profile.

CUT has a reputation for being a modern and well-equipped school which offers a wide range of courses and a high level of education.

At the moment it has about 7,000 students at the six faculties. Students can choose from over 100 specialities in 24 fields of study.

Faculties on Czestochowa University of Technology:

● Faculty of Mechanical Engineering and Computer Science ● Faculty of Production Engineering and

Materials Technology ● Faculty of Management ● Faculty of Infrastructure and Environment ● Faculty of Electrical Engineering ● Faculty of Civil Engineering.

Thanks to its academic staff and the quality of their research, Czestochowa University of Technology has an established position on the scientific maps of both Poland and Europe.

The University runs a wide range of activities at an international level, including scientific and educational programmes, e.g. Erasmus+.

Czestochowa University of Technology has at its disposal **great educational facilities** and a comprehensive **student infrastructure, modern laboratories and lecture halls, three dormitories, its own publishing**

house and a new main library as well as separate **faculty libraries**. There also is the **Academic Centre for Culture and Sports** with its rich offer.

Established in 2003, the **Promotion and Careers Guidance Centre** helps students and alumni in the transition from studies to employment, arranging presentations by and meetings with prospective employers.

Czestochowa is situated in the south of Poland just 120 km north of Cracow and 240 km south of capital city – Warsaw and lies in the picturesque Cracow – Czestochowa Upland, offering great opportunities for different forms of active tourism. It is an ideal city for students. The cost of living and accommodation is relatively low in comparison with other cities.

Programmes of study in English

- BSc in Computer Modelling and Simulation
- BSc in Quality and Production Management

- MSc in Computational Intelligence and Data Mining
- MSc in Intelligent Energy for Environmental Protection

- MSc in Logistics
- MSc in Management
- MSc in Modelling and Simulation in Mechanics

Fields of study in Polish

- **angielski język biznesu** English in Business
- **automatyka i robotyka** Automatics and Robotics
- **bezpieczeństwo i higiena pracy** Occupational Safety and Health
- **biotechnologia** Biotechnology
- **budownictwo** Civil Engineering
- **budownictwo z wykorzystaniem technologii BIM** Civil Engineering with use of technology BIM
- **design i zarządzanie projektami** Design and projects management
- **elektronika i telekomunikacja** Electronics and Telecommunications

- **elektrotechnika** Electrical Engineering
- **energetyka** Power Engineering
- **finanse i rachunkowość** Finance and Accounting
- **fizyka techniczna** Technical Physics
- **informatyka** Informatics
- **inżynieria materiałowa** Materials Engineering
- **inżynieria środowiska** Environmental Engineering
- **logistyka** Logistics
- **matematyka** Mathematics
- **mechanika i budowa maszyn** Mechanical Engineering
- **mechatronika** Mechatronics

- **metalurgia** Metallurgy
- **technologia szkła i ceramiki** Technology of glass and ceramics
- **zarządzanie** Management
- **zarządzanie i inżynieria produkcji** Management and Production Engineering
- **zarządzanie jakością i produkcją** Quality and Production Management

Facts & figures: Established in 1949 ● 7 000 students ● 800 academic staff ● 85 000 graduates
