# Adam Mickiewicz University in Poznań

AMU is proud to bear the name of Adam Mickiewicz – the Polish iconic bard who believed strongly in a free, multicultural Poland and was one of the most important poets of European Romanticism.

AMU is one of the largest academic centers in Poland. In addition to its facilities in Poznań, it has campuses in Gniezno, Kalisz, Pila and Slubice. The University currently employs nearly 3,000 teaching

Materials for Energy Processing, Theories-Interfaces-Technologies in English Linguistics

AMU offers BA and MA programs taught in Polish, English, Dutch including courses in 40+ languages. Individually supervised PhD programs are offered in English and other languages upon separate arrangements.

AMU has well-developed foreign relations and cooperates with about 350 universities across the world under bilateral agreements. AMU is a member of:

- Student-friendly city: on average every fourth citizen of Poznań is a student! Some 37.000 of them study at AMU!
- Poznań is a vibrant business center offering career opportunities for students, Poznań region enjoys one of the lowest unemployment rates in Poland
- Comprehensive academic offer: AMU has been consistently ranked among Top-5 universities in Poland for the last 10 years!
- Large number of professional full-time academic staff
- Advanced research opportunities: international projects including Horizon 2020 and many others
- Handicap-friendly program: AMU has the largest population of students with disabilities in Poland!
- Easy access to culture: "Poznań Philharmonic Orchestra performs in the AMU Main Auditorium, Poznań Opera House just across the square, National Museum 10 minutes away by foot!
- Exciting sports program to follow in 30+ disciplines!

### AMU PreMed and PreTech Programs

Foreign students wishing to improve their knowledge and skills in natural sciences before they apply for their medical studies may choose a two-semester PreMed Program. It prepares for the interview and entrance exams at Poznań University of Medical Sciences (PUMS) as well as other medical programs in Poland. On the other hand, the PreTech Program is an engineering course offered and designed to enable students to approach technical

UA – European University Association, EUCEN – European University Continuing Education Network, The Compostela Group of Universities, The Santander Group – European University Network: EUPRIO-European Universities PR and Information Officers and others.

### A Dozen Reasons to Study at AMU in Poznań:

- Supreme academic expertise
- Competitive price
- Central location: halfway between Berlin and Warsaw; most European capitals accessible within 2 hours by plane!
- Multicultural environment: 96 nationalities represented at AMU

### From Uruguay to Poland

**Fabiana Ambroa Ibaruri (Uruguay):** *I compared the study programs in the field of International Law at various universities. I had a choice to study in Sweden or in the Netherlands but I decided to enroll at Adam Mickiewicz University in Poznań, Poland. AMU convinced me with comprehensive academic offer and advanced research opportunities. Before departure I was not quite sure whether I find my way around in a foreign country. Luckily I met people who are open, friendly and ready to help a foreigner. I encourage anyone to come and see for themselves!*

staff, including 370 tenured professors, 800 AMU professors and over 1,700 doctors and senior lecturers. Since 2002 our professors have coordinated or have been partners in numerous research projects funded by the European Union Framework Programs for Research and Technological Development and other EU/international programs.

AMU is strongly dedicated to creating high-standard educational opportunities. The University serves over c. 37.000 students with 15 faculties offering BA, MA and PhD programs. Students who know Polish can choose from over 228 majors. The newest programs include: Analysis and Data Processing, Physics of Advanced

and engineering degree programs with more confidence and prevent them from dropping out after the first year. Apart from courses in various natural and technical sciences both programs provide candidates

with basic skills in Polish and improve both medical and technical English vocabulary.

PreTech covers fundamental subjects for a majority of engineering and technical studies.

AMU also offers a 6-month and a 1-year General English and English for Academic IELTS course as well as preparatory Polish Language and Culture courses.
