in Seoul

Dear Sir or Madam,

I am pleased to inform you that on October 28th and 29th Seoul will host “Study in Europe 2017” educational fair. It will be a great opportunity for Korean students and their parents to learn more about the opportunities and benefits of studying in European countries, including Poland.

We are happy to say that every year the number of Korean students enrolling in Polish universities increases. Polish universities are known for diverse and high quality courses taught also in English language.

On behalf of the Polish Educational Foundation “Perspektywy” , who will participate in the “Study in Europe 2017” fair, I would like to convey an invitation to an information meeting. The purpose of the meeting will be to inform student recruiting agencies about the opportunities of studying in Poland as well as the recruitment process.

Please refer to the attached invitation letter.

Sincerely,

Konsul RP

Maksymilian Zych
