Kozminski University

Kozminski University is an internationally renowned private business school located in Warsaw – the very heart of Europe. The only such institution in Central and Eastern Europe which is AACSB, EQUIS and AMBA accredited and listed within the prestigious "Financial Times" rankings. We offer recognized Bachelor, MSc, MBA, and PhD programs in business management and finance. In 2014 the Kozminski University Master's Program in Management ranked 35th in the "Financial Times" Global Masters in Management Ranking, our EMBA program was listed 45th among the top Executive MBA programs in the world and the University ranked 41st in Europe in the European Business Schools Ranking. The Master's Program in Finance

was ranked 21st in the world also in 2014. Kozminski University is in a league of its own in terms of quality and prestige. Our course offerings have a unique international flavor; they are taught entirely in English by an international faculty with degrees and teaching experience from prestigious universities throughout the world as well as practitioners of business, law and public administration. Our students come from more than 60 nationalities, creating a truly international atmosphere that enables them to experience the richness of various cultures blended together with our own and unique "Kozminski Way".

International partnerships with more than 200 educational institutions in the world allow our students to study in several countries during one

study program, participate in exchange programs with some of the most prestigious business schools worldwide or obtain a double degree.

Why should you choose Kozminski University?

The choice of a university is one of the most important decisions that you make during your life time. The best choice is always one which allows students to learn with an international scope of the chosen field of studies and obtain a degree confirmed by prestigious accreditations. Internationalization is the most important element of our strategy, confirmed by the highest notes in national and international rankings. In terms of both quality and prestige Kozminski University is unmatched on the Polish and Central and Eastern European markets.
